  2. A material breach of any term or condition of this contract. The State will issue a written notice of default providing a ten (10) day period in which Contractor will have an opportunity to cure. If the default remains, after Contractor has been provided the opportunity to cure, the State may do one or more of the following:
    1. Exercise any remedy provided by law;
    2. Terminate this contract and any related contracts or portions thereof;
